SUPPORT OUR STUDENTS

The St. Anne School Foundation provides financial support to maintain and strengthen the learning environment of St. Anne Catholic School. Consistent with our mission, all of net proceeds from the Gala go to the Foundation's contribution to the operating budget of the St. Anne Catholic School, as well as towards the Foundation's pledge toward the St. Anne Catholic School Foundation Gymnasium. Your support directly benefits the growing need of St. Anne's 500+ students in Pre-K – 8th grades – representing more than 50 zip codes in the Houston metro area.

WE NEED YOUR HELP

The Gala needs your help to make our event a fundraising success. We would love to highlight you and your auction donation this year! It will garner attention before, during and after the Gala. Your partnership offers valuable visibility for your business, with opportunities for exposure through multiple print and electronic communications, including social media. Your sponsorship will also be featured at the Gala, where we hope to welcome over 400 community minded parents, parishioners, and guests.

The 2024 "Let It Shine" Silver Anniversary Gala gives our community the opportunity to come together in fellowship and fun, while raising money to fulfill our mission to support the school. We can't wait to add you to the list of valued supporters for this year's efforts.

Thank you for your kind consideration,

Colleen McCauley
