

Focused on quality Catholic education in an enriching environment

The St. Anne School Foundation benefits the children and families served by St. Anne Catholic School, whose mission is to develop each student academically, spiritually, culturally, physically, and interpersonally in a Catholic environment. The Foundation provides funds to the school through merit-based and needs-based scholarships, as well as special grants and annual grants.

Benefitting the children and families of St. Anne Catholic School

Throughout its history, the Foundation has been committed to ensuring that the facilities and resources of St. Anne Catholic School support the exceptional teaching staff and provide an academically enriching environment for students. All of the Foundation's fundraising activities benefit St. Anne Catholic School. Over the years, the Foundation's contributions have supported needs-based tuition assistance, faculty continuing education, fine arts programs, classroom enhancements, and technology needs. Foundation support also has included matching funds that helped complete the Ideal Classrooms – a project that updated and enhanced all the classrooms in the school.

Dedicated to philanthropy that engages both donor and recipient

The St. Anne School Foundation raises funds through two major initiatives – an Annual Gala and the Father John Robbins Bourse Scholarship Campaign. In addition, the Foundation solicits, manages and disperses more than 20 scholarship funds. For the long-term support of the school, the Foundation is building an endowment to benefit future generations of St. Anne Catholic School students.

The Father John Robbins Bourse supports the enriching diversity of the school through tuition assistance to families in financial need. As a parish school, St. Anne Catholic School strives to help children have the opportunity to receive a Catholic education regardless of their financial circumstances. The Foundation is pleased to support the socio-economic diversity of the school.
